

Baseball Superstars

Here's something our cost-conscious parents can really appreciate! Price-wise unsigned memorabilia from Steiner Sports really round out a great collection!

Look at these custom-made hand-painted bats from 2Sport Inc.! I've got the Cal Ripken Jr. bat, the Derek Jeter bat and the Mark McGwire bat, and Steiner Sports has plenty of other athletes available too! Just call and ask for your favorite! Call for pricing

Here's another great bat offer! You can get just about anything you want engraved on a professional baseball bat! From "Happy Birthday" to "Our Favorite Coach," you tell Steiner what you want engraved, and they'll do the rest! Call for pricing

I love these batting helmets from American Baseball Cap, Inc., the official helmet of Major League Baseball! You can get your very own helmet emblazoned with your favorite team's logo! The people at Steiner have all the major league teams... Just tell 'em which ones you want! \$50

Everybody knows Rawlings baseballs! Steiner has the special Rawlings collector's editions, including the 1998 All-Star Game ball, the 1996 World Series ball, as well as the '97 and '95 World Series baseballs! Of course, I want them all! \$20.00

You know what you need? A Rawlings Mini Mitt from Steiner Sports! They've got a full grained leather shell and a screened nameplate of your favorite player! Here are the Derek Jeter model and the Cal Ripken, Jr. I just asked my dad for the Bernie Williams too! Steiner's got them all! \$29.95
